Arlene Wing, Doug Zimmerman, and Brian Horstmann Join Lifestyle Landscapes Executive Team

Seattle, Washington, January 2, 2003 – Lifestyle Landscapes, Inc. today names three key members to its executive team. Lifestyle Landscapes Board of Directors names Ms. Arlene Wing, the company's President and COO; Mr. Doug Zimmerman, the company's Field Operations Executive; and Mr. Brian Horstmann, the company's Executive Landscape Consultant.

Arlene Wing, President and Chief Operating Officer, a Seattle native, is the principal founder of Lifestyle Landscapes and has served as a Garden Designer since 1993. Prior to founding Lifestyle Landscapes in 2002, she held the position of Senior Designer at Malone's Landscape of Kent, Washington. During her years at Malone's Landscape, she was responsible for sales and designs of custom residential landscapes, estimating the installation costs, and managing the installation construction. Ms. Wing has designed several Seattle Street of Dreams award-winning landscapes. She has been recognized by her peers with awards from the Washington Association of Landscape Professionals (WALP), including both the WALP 2002 Grand Award and Judges Award, as well as design and graphics awards from the Washington State Chapter of the American Society of Landscape Architects (ASLA). Ms. Wing has a degree in Landscape Architecture from the University of Washington.

Douglas J. Zimmerman, Field Operations Executive, joins Lifestyle Landscapes with more than twenty years experience in landscape design and installation project management. Before joining Lifestyle Landscapes, Mr. Zimmerman was employed at The Highridge Corporation of Issaquah, Washington, where his landscape

designs received industry recognition for multiple projects, including nine years of Street of Dreams Awards, several Flower and Garden Show Awards, and M.A.M.E. Awards. Prior to Highridge, Mr. Zimmerman founded, managed, and served as Chief Designer of Alpine Landscapes in Wenatchee, Washington. His experience also includes several years as a Landscape Designer at C&O Nursery in Wenatchee. Mr. Zimmerman has a Bachelor of Science degree in Landscape Architecture from Washington State University.

Brian Horstmann, Executive Landscape Consultant, the founding sales executive for Lifestyle Landscapes, joins the company from Malone's Landscape of Kent, Washington, where he was one of two of the company's Custom Landscape Designers/Sales Executives. In addition, Mr. Horstmann managed several of Malone's Landscape's specialized installation crews and subcontractors. Prior to Malone's, he held several positions at The Chalet Landscape and Garden Shops, located on Chicago's prestigious North Shore. The Chalet Landscapes specializes in providing unique customer services, driven by a team-oriented business model. Mr. Horstmann was a leader in developing The Chalet's "One Company" attitude. Mr. Horstmann has a degree in Landscape Architecture from the University of Illinois at Champaign/Urbana.

“We are proud of the team of professionals that form our company”, said Roger Franklin, Chairman of the Board. “Our executive team now includes award winning landscape designers, extremely skilled installation specialists, and business management experts. These key individuals bring to Lifestyle the knowledge and experience required to formally define, document, and implement business processes to support our mission to deliver high quality landscape products and services that exceed client expectations.”
